Kira Talent Integration (Phase 1 – quadrant 4)

The image shows a composite of two web interfaces. The top interface is the Watertown University application portal, featuring a navigation bar with 'My Application', 'Add Program', 'Submit Application', and 'Check Status'. A sidebar on the left lists 'Master of Arts in International Business' and 'Graphic Design'. The main content area shows a 'Graphic Design' program with a 'Deadline: Rolling' status. The bottom interface is the WebAdMIT portal by LIAISON, displaying a search bar and a breadcrumb trail: 'WebAdMIT Help Center » Configuration Portal » Customizing Your Programs'. The main heading on this page is 'Linking Kira Assessments'.

Overview

In addition to the core CAS application, some institutions use [Kira Talent](#) to assess applicants. If you're using a Kira assessment, you can use the Configuration Portal to link your assessment with the CAS application so that when an applicant completes the assessment, it's accessible to you in WebAdMIT.

Note: this integration is available for select CASs. If your CAS offers this integration, you must have a contract with Kira to use the integration.

SlideRoom

SlideRoom

The School of Visual Arts requires digital portfolios for all its graduate programs. Please see our [Graduate Portfolio Requirements](#) page for specific artistic portfolio requirements.

A portfolio must be submitted through the SlideRoom system. Applicants must create a [SlideRoom](#) account using the same e-mail address as this online application, for the two to sync properly. Submission of the SlideRoom portfolio must happen prior to the submission of this application.

[Click here to start your SlideRoom portfolio](#)

- Address incorrect error messages / places where applicants get stuck
- Explore moving CAS application PDFs into SlideRoom
- Find and streamline other UX challenges
