Professional Transcript Entry Clearer UX

Professional Transcript Entry

When our specialists finish your Professional Transcript Entry, you must review and approve all entered transcript data. Click the **Transcript Review** button on each college to review and approve the transcript data entered for each school. If any of the programs to which you are applying request that you identify prerequisite coursework, you can complete that from this page as well.

After you approve all of your transcript data and match your prerequisites, click the **I Am Finished** button to finalize your transcript data and send it to your programs.

If you find an error with your transcript data, please contact Customer Support at AACOMASinfo@liaisoncas.com.
