CASPA Fees and Fee Waivers

Fees

CASPA charges $179 for the first program you apply to and $55 for each additional program.

Some programs may have an additional supplemental fee; contact your programs to learn if they require this and how to pay it.

Fee Assistance Program

Beginning at the start of the cycle, a limited number of fee waivers are provided to qualified applicants on a first-come, first-served basis. Each fee waiver covers only the initial application fee, so if you wish to apply to additional programs, you are responsible for the remaining balance. If you received a fee waiver during a previous cycle, you may still apply for another in the next cycle.

You may request a fee waiver as soon as you create an application, but keep in mind that fee waiver funds can be quickly depleted. Contact customer service at 617-612-2080 before you submit a fee waiver request to determine if waivers are still available.

Note that as of August 26, 2020, there are no more fee waivers available for the CASPA 2020-2021 cycle.

Qualification Requirements

To qualify for a fee waiver, you must have either:

- Filed a 2019 Federal Income Tax Return Form 1040, 1040A, or 1040EZ with an adjusted gross income that falls below the Low Income Level listed below, or
- Been listed as a dependent on a filed 2019 Federal Income Tax Return Form 1040, 1040A, or 1040EZ with an adjusted gross income that falls below the Low Income Level listed below. If you were claimed as a dependent by a parent or guardian on their 2019 Federal Income Tax Return, CASPA requires you to use that individual's Federal Income Tax Return instead of your own.

Additionally, you must request a fee waiver before you submit your application. Requests received after an application has been submitted will not be honored.

If you are approved for a fee waiver, you are required to submit your application within 14 days (including holidays and weekends). Extensions will not be granted; failure to submit your application on time will void your fee waiver and you will not be allowed to reapply for a waiver.

Low Income Levels for 2020-2021 Cycle Awards*

If applicable, use the following chart to help you determine if you come from an economically disadvantaged
The low income level is based on 200 percent of the U.S. Department of Health and Human Services poverty guidelines. It is used to determine what constitutes a low-income family for the purposes of the SDS and LDS programs.

* Size of family means the number of exemptions listed on the qualified income tax return forms. For example, a family size of 4 may include two parents and two dependents.

** Income Level refers to the adjusted gross income stated on the federal income tax return 1040, 1040A, or 1040EZ.

3. Upload a copy of the filed 2019 Federal Income Tax Return Form 1040, 1040A, or 1040EZ. This form was either filed by you or by someone who listed you as a dependent (such as a parent or guardian). Remember to submit your application within 14 days of your approval (including holidays and weekends). Outstanding transcripts, evaluations, and/or test scores do not have to be received within this timeframe.
